Tools – Figma, Jira, Advanced Excel, Power BI, Notion, Shopify, Facebook Ads Manager, Payment Gateways / UPI Systems

AI & Automation – ChatGPT, Claude, Gemini, Cursor AI, Perplexity AI, n8n, Make

PROFESSIONAL EXPERIENCE

Associate Product Manager | **PXY Media**

12/2024 – 06/2025 | Hyderabad

- **Product Strategy & Discovery:** Defined Visaz's product vision, business model, and priority launch markets with the CEO and Business team, including market sizing across key visa corridors and competitive analysis against Atlys, Visa First, and Sherpa.
- **User Research:** Conducted 6 user interviews with frequent travelers, first-time visa applicants, and travel agents to validate core pain points — confusing documentation, rejection fear, and processing delays — directly shaping MVP scope.
- **MVP Scoping & Roadmap:** Defined MVP scope using RICE prioritization across visa discovery, application flow, document upload, payment, and status tracking; presented the roadmap and budget plan to the CEO for approval against a **6-month** build timeline.
- **Requirements, Design & Execution Ownership:** Wrote PRDs and acceptance criteria for core features (Auth, Visa Catalog, Search, Application Flow), directed sitemap and wireframe reviews with Design across web and app, owned the Jira backlog mapped to the **6-month** roadmap, and ran weekly sprint reviews across Engineering, Design, and QA.

Manager – Growth & Product | **Unacademy**

05/2021 – 06/2024 | Noida

- **Product Strategy & Monetization:** Owned the payment roadmap end-to-end, including partnering with an NBFC lending partner to launch a No-Cost EMI option, that lifted paid subscriptions by **25%** within 6 months.
- **Growth & GTM Execution:** Co-owned GTM strategy with Marketing — segments, activation flows, messaging — growing new user sign-ups by **35%** in a quarter.
- **Data-Driven UX Optimization:** Increased average watch time by **20%** and user retention by **30%** via discovery on Live Class, turning research into a prioritized roadmap.
- **Customer Insights & Roadmap Ownership:** Built a continuous voice-of-customer program for premium tiers (Iconic & Plus), lifting CSAT by **40%** and feeding quarterly roadmap planning.
- **Offline Expansion & Vertical Growth:** Supported the launch of 3 offline centers (Kota, Delhi, Patna) for IIT JEE/NEET, helping each ramp to **500-600** learners, while contributing to **10%** registered-user growth (**3L** to **3.3L**) and **~71%** paid-subscriber growth (**70K** to **1.2L+**) in the K12/IIT JEE/NEET vertical via vernacular expansion and referrals.

Senior Business Development Associate | **Unacademy**

05/2020 – 05/2021 | Noida

- **Strategic Growth & Market Analysis:** Owned market analysis across a **2,000**-user base, identifying gaps that contributed to **180%** organizational growth.
- **Process Improvement & Training:** Built structured training modules that boosted team productivity by **20%**.

ACHIEVEMENTS

- **Sales Champion, Unacademy – 2020.** Generated **₹1 Cr** in revenue within 6 months.
- **Star Performer, Product & Growth – Unacademy, 2023.**

EDUCATION

B.Tech, Electronics and Communication Engineering – Galgotias University, 2016–2020
